Hi Matt-

I faxed you the discovery packet for the [REDACTED] case this morning. I apologize for it taking me this long to get it to you. If you don't receive it or there are any issues with the transmission, please let me know and I will re-fax it to you.

Hi Sonja,

I have [REDACTED] currently in the "Trial Pool" its lab numbers are [REDACTED]. I have asked the court not to call it during the first two weeks of July based on my vacation schedule, but also wanted to check with you to see if you have any personal or professional commitments in July and August?

I also have [REDACTED] on to go into the trial pool on 8/14/12, lab numbers [REDACTED]. Can you please also let me know about commitments you have during the last half of August and into September?

Thanks –

Matt
